Scholarship Information Inside

About the Scholarships

The AFSCME Ohio Council 8 Scholarship Program was created in 1982 to provide financial assistance to the children of Ohio Council 8 members to attend a four-year accredited college or university. The scholarships, two \$2,500-a-year grants for four years, are awarded annually to two different recipients, one male and one female, based on the applicant's need, academic history and higher education goals. Scholarship applications are reviewed by the union's executive board, which will award the two scholarships no later than June 30, 2016.

Grace Davis and William Fogle

Grace Davis began her career as a public employee in 1967, when she was hired by the City of Cincinnati as a Licensed Practical Nurse. As an LPN, she worked in various city departments including public school health clinics.

In 1972, Davis joined AFSCME Local 1543, the local union for the city's clerical and technical employees, and was elected president in 1985. That same year, she was also elected as a Cincinnati Regional Vice President, and served on the AFSCME Ohio Council 8 Executive Board until 1993.

In addition, from 1988 until 1993, she served on the AFSCME Ohio Care Plan Board of Trustees.

After retiring from the City of Cincinnati in 1993, she became the AFSCME Ohio Care Plan's Cincinnati Office Manager in 1994, a job she held until retiring in 2007. Davis passed away in 2014.

William "Bill" Fogle started his more than 50-year career in the labor movement in 1956.

As a young man Bill started as a construction worker and then landed a job in a shoe factory. Becoming a member of the factory's union sparked his life-long passion for improving the lives of workers and their families.

Fogle went to work for AFSCME in 1969 as an International Union Representative serving various locals throughout the state. With the unification of Ohio's district councils into Ohio Council 8, he worked for Ohio Council 8's Toledo region from 1978 through 2009.

Fogle was a seasoned negotiator, and a skilled member advocate in arbitration and grievance cases. In addition, he excelled as CDL and Health and Safety Trainer. Fogle passed away in 2012.
